DID YOU KNOW

SEGEL & BRADY

OF THE BLUE STORE

Are going to move in about 30 or 40 days to the store formerly occupied by A. P. Abbott & Co. in the Bolster Block? The store has been newly refitted in a style second to none in the state and will be well adapted for a Clothing and Shoe Store. Messrs. Segel & Brady have taken a ten-year lease of the store from L. J. Bolster and as the lease to the store now occupied by them will expire August 1st it is their intention to close out the stock in the Blue Store during the next thirty days in order to save moving it into the new store.

Messrs. Segel & Brady are buying a new and fresh stock of goods for the new store, which will open in about a month, and you may look for big bargains here during this month.

CURE CATARRH BY BREATHING.

Rickert & Wells Offer to Return Money if Hyomei Treatment Fails to Cure Catarrh Without Stomach Dosing.

If for a few minutes, four times a day, you breathe Hyomei, all catarrhal germs will be destroyed and the irritated mucous membrane restored to health.

With every Hyomei outfit there is a neat inhaler which can be carried in the purse or pocket. Hyomei breathed through this contains the same healing balsams that are found in the air upon the mountains, where catarrh is unknown.

It destroys all catarrhal germs in the air passages of the head, throat and nose, and makes a positive and permanent cure of catarrh.

The complete outfit costs but \$1, while extra bottles of Hyomei can be obtained for 50c, making it one of the most economical of treatments for catarrh.

Rickert & Wells believe so thoroughly in the merit of Hyomei, that they guarantee to return the money if it fails. This is certainly the strongest evidence they can give of their faith in the Hyomei treatment.

It enables any one to use Hyomei without risk of spending money for nothing. Ask Rickert & Wells to show you a Hyomei outfit and explain to you, what a simple and easy way it is to relieve and cure your catarrhal troubles.
